*With conviction* ♩ = 108-112

1. Come all un-to the tem-ple Where ho-li-ness a-bides. Where  
2. Come all un-to the tem-ple Where per-fect love a-bounds; Where  
3. Come all un-to the tem-ple Where peace un-meas-ured flows; From  
4. Come all un-to the tem-ple Where end-less truth is found In

hands are con-se-crat-ed And hearts are pu-ri-fied. Through  
hearts are tuned to-geth-er, One sweet and sol-emn sound. As  
wells of liv-ing wa-ter Drink sol-ace to your soul. As  
per-fect course, un-wav-'ring, Of one e-ter-nal round. As

cov-e-nants of pow-er, Our im-per-fec-tions yield; \_\_\_\_\_  
fam-i-ly for-ev-er, To-geth-er we are sealed, \_\_\_\_\_  
heav-y hearts un-bur-den, As bro-ken hopes are healed, \_\_\_\_\_ The  
we're en-dowed with knowl-edge, There from the world con-cealed, \_\_\_\_\_

mys-ter-y of god-li-ness In tem-ples is re-vealed.
